Hi Scott,

I've attached the following:

1.) Latest version of the Draft BLM general conformity letter regarding the Exemptions and PTC List.

2.) Latest version of the Staff-to-Staff comments on the NPL project's draft general conformity determination.

3.) For reference; Sara's last version of suggested revisions to the NPL comments.

Ex. 5 - Deliberative Process

Please let me know if you have any questions.

Thanks!

Subject: update

Tim,

I had to go straight to my 10:30 meeting but I have my computer. The update from Martin is to send him the letter and the staff email electronically and then he'll send it up to the 9th floor.

If you have it ready, can you send it to me and also a short blurb in the email that explains the clarification on the 5th permit?

Thanks,

Scott
